NimbusCloud Technologies — Employee Handbook

This handbook describes the internal policies of NimbusCloud Technologies Pvt Ltd, a fictional cloud infrastructure company headquartered in Bengaluru, India. NimbusCloud was founded in the year 2019 by Ananya Rao and Devesh Kulkarni.

Company Overview

NimbusCloud Technologies provides managed Kubernetes hosting and serverless database services to over 400 client companies across Asia and Europe. The company's flagship product is called OrbitDB, a distributed NoSQL database designed for low-latency edge applications.

Leave Policy

Every full-time employee at NimbusCloud is entitled to 24 paid leaves per calendar year, split into 12 casual leaves and 12 sick leaves. Employees can carry forward a maximum of 8 unused leaves into the next year. Maternity leave is set at 26 weeks, and paternity leave is set at 4 weeks, both fully paid.

Remote Work and Reimbursement Policy

NimbusCloud follows a hybrid work model. Employees are required to work from the Bengaluru or Pune office at least 2 days per week. Employees working remotely are eligible for a one-time home office setup reimbursement of INR 25,000, and a monthly internet reimbursement of INR 1,500.

Performance Review Cycle

Performance reviews at NimbusCloud happen twice a year, in the months of April and October. Each review is conducted by the employee's direct manager along with one peer reviewer. Ratings range from 1 to 5, where a rating of 4 or above makes an employee eligible for the Annual Excellence Bonus, worth 15 percent of their annual base salary.

Internal Tools

The internal project management tool used at NimbusCloud is called 'PulseTrack'. All engineering teams are required to log their daily standup updates on PulseTrack before 11:00 AM IST. The internal chat tool used for team communication is called 'Chatterbox'.

Security and Compliance

All employees must complete the mandatory Information Security Training within 30 days of joining. NimbusCloud is certified under ISO 27001 and SOC 2 Type II standards. Any suspected security incident must be reported to the internal security team at the dedicated email alias secure-report@nimbuscloud.example within 2 hours of discovery.

Favourite Office Mascot

NimbusCloud's official office mascot is a golden retriever named Bramha, who visits the Bengaluru office every Friday and is looked after by the Facilities team.

Contact

For any HR-related queries, employees can reach out to the People Operations team at people-ops@nimbuscloud.example, or visit the HR desk on the 3rd floor of the Bengaluru office between 10:00 AM and 6:00 PM, Monday through Friday.
